

## Ambiloom® Mirror 1700

### Wall-mounted mirror with light effects

Ambiloom® Mirror 1700 is a wall mirror in an aluminum frame with a unique lighting effect. The LUX effect is built up by the patented ETTLIN LUX® textile and integrated LEDs. The LED stripes on the back plate of the mirror are warm white (3,000 - 3.500 K).

- Wall-mounted mirror with integrated LEDs
- Plug & play
- Worldwide unique light effect
